

BRUGGE '25

The 23rd Symposium of the Belgian Association of Nuclear Medicine

May 16-18

Bruges Meeting & Convention Centre (BMCC)

SPONSOR GUIDE

Welcome Words

The Belgian Society of Nuclear Medicine (BELNUC) cordially invites you to its 23rd scientific symposium to be held on May 16-18, 2025 Bruges Meeting & Convention Centre (BMCC).

This BELNUC meeting will again bring together all stakeholders in the nuclear medicine community, in dedicated scientific tracks for physicians, medical physicists/engineers, radiopharmacists/chemists and technologists. The traditional BELNUC Award and Young Investigators Challenge will be held too and will also incorporate a keynote lecture by Prof Paola Anna Erba, the 2025-2026 EANM President.

Alongside these scientific sessions, the BELNUC meeting offers a unique opportunity for the Belgian NM community to meet industry representatives in the exhibition, where the latest advancements in nuclear medicine technology and applications will be presented.

We look forward to seeing you in Bruges Meeting & Convention Centre (BMCC) in 2025!

The BELNUC board.

Venue & Industry Exhibition

The convention centre is centrally located just a few minutes from downtown and the train station.
For more information, please visit: <https://bmccbruges.com/en/>

Our unique setup of pop-up booths at Bruges Meeting & Convention Centre (BMCC) offers up to 1000m² available for our industry partners.

In order to maximize interaction with participants, exhibitor booths will be positioned in close proximity to the centrally located catering area and further information on exhibitor stands will be published on our website in close proximity to the meeting.

If you have any immediate questions or requests regarding the reservation of booth space, please contact us at any time (office@belnuc.be).
